

les Jardins du Puygirault

*A journey into the history
of vegetable gardens*

- Prepare to go back in time! In **a site classified by the Heritage Foundation**, take a walk from garden to garden. From the gathering area to the ancient garden, from the medicinal garden to the medieval vegetable garden, from the contentment garden to the interior garden, discover **14 pleasure areas**. Each garden traces an era with species from around the world. A journey that will immerse you in the origins of the cultivation of vegetables and herbs, 10,000 years ago to the present day.
- Immerse yourself in a **sensory universe** by taking the time to pet the plants with surprising scents. At each step, you will be surprised by the sound of your steps and the astonishing staging of spaces. Throughout the year, the spectacle of shapes and colors varies with the seasons.
- The secret of such verdant nature also comes from the **14th century hydraulic network**. Walk along its path to go up to the source and you will discover a last naturally unusual garden.
